

Policy Regarding COVID-19 (5/19/2021)

Our dedication to the families we serve and our community remains to be our priority.

We are encouraged with the recent easing of restrictions by Governor Hogan.

In all locations we are pleased to not have any capacity restrictions. We will take the guidance from the family we are serving in terms of their wishes for wearing of masks; therefore, please come prepared with a mask.

IF THE WEARING OF MASKS SIGN IS DISPLAYED ON THE DOOR OF A FUNERAL HOME, PLEASE ENTER WITH A MASK ON. Consequently, if there is no sign at the door, feel free to enter as you are most comfortable.

We are offering live streaming of funerals for any family wishing to accommodate those not able to attend in person.

If the cause of death is from or suspected to be from the Coronavirus (COVID-19) and immediate cremation is being considered we place an emphasis on photo identification only, but can certainly talk about other options.

We invite any questions and will continue to provide your family with ways to honor your loved one, while keeping your family safe.

Our priority is helping and serving families in their time of need and we are available all hours of the day to assist you.

Thank you!

The Hartzler Funeral Home Staff
